

Mrs. Heinrich's Library Learning Commons Café

May 25th – May 29th

READ! READ! READ!

“Never trust anyone who has not brought a book with them.”

– Lemony Snicket

Hello! I am back to work this week. Thank you to Ms. Baker for filling in for me while I recovered from surgery. This is the last week to enter the [May Reading Challenge](#).

Track your reading and email me (jrheinrich@summer.com) when you complete at least 10 of the reading challenges. Bonus entry if you complete all 25 challenges.

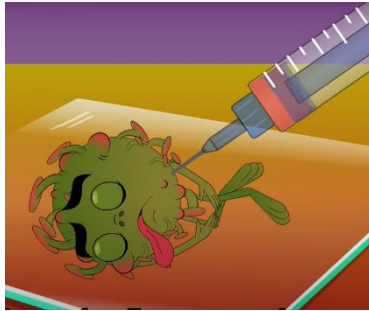

Return your library books to the blue bin outside the front door of the school.

Activities Menu

Work on these activities with your siblings or family members.

What is a vaccine?

Vaccines keep us safe from diseases. Learn how they work.

Scientists around the world are in the process of developing a vaccine for the Corona Virus. Watch the video to learn more.

See for yourself

“Wash Your Hands!”

You hear it all day long. But it is hard to see those germs you are washing off. Try this experiment to see why soap is so important.

Connect to a book.

Read [Pneumonia](#). Find it in [Epic Books](#).

While you're in Epic, look for other great books to read.
